Clothing Notes

- The weather here in Canada can get warm and humid (30+ °C; high 80's to low 90's °F), but it can also get pretty chilly at night (teens °C; low 50's °F), so it's not a bad idea to bring a jacket/sweatshirt and jeans just in case.
- Casual clothing is fine (shorts & T-shirts), but please bear in mind that you will be representing the Great Canadian Adventure (and more importantly, Jesus Christ). Please choose clothing that is modest and appropriate. If you have questions, talk with your group coordinator.
- There is no need for dress clothes or swimming suits (unless your group will be at a pool/water park on your free day).

Currency Exchange

Leaders or teens who have money they want to exchange will get the best rate at the border. (You will get more for your dollar if you spend Canadian money.) Also, you will get a better exchange rate if you use a credit card (Visa, MasterCard) for things like gas and the free day activity. Your spending will also be easier to track.

Note: Some US credit card companies are now charging a fee for international purchases, so you will want to check with your credit card company before using it in Canada.

Travel Documentation

If driving: Each participant will need his/her birth certificates and anyone over 16 should have some form of picture ID. It is not necessary to have a passport if you are driving across the Canadian border.

If flying: Each person will need a valid US passport to re-enter the US.

You will want to make sure you have all your ID ready weeks in advance, it sometimes it takes up to 10 weeks to get a passport.
